Apartment 911 Cannes

Elegant fully furnished apartment with high rental potential ideally located in the heart of Cannes. This turnkey property is nestled on the third and top floor, without a lift, of a charming and well-maintained traditional Cannes building, right in the heart of all amenities the city has to offer (beaches, restaurants, Palais des Festivals, port, supermarkets, transport, etc.). The apartment offers a bright living area with beautiful high ceilings and a fully equipped open-plan kitchen. It includes two comfortable bedrooms, one with its own en-suite bathroom and toilet. A second shower room with toilet, a small office room currently used as an additional sleeping area, and a laundry room complete this functional and welcoming layout. Thanks to its prime location – just a few steps from the Old Port, Forville Market, the beaches and the Palais des Festivals – this property represents an excellent investment opportunity, ideal both as a quality pied-à-terre and for seasonal rentals in the heart of Cannes. Its features and location also make it perfectly suited to business clients attending the many conferences and events held throughout the year. In terms of transport, both the bus and train stations are located about 10 minutes away on foot, providing direct access to Nice
