House Figanières

Exceptional Master House in Figanières Rare and exclusive – Authentic master house fully renovated in the heart of the Provençal village of Figanières, nestled between the Verdon and the Green Provence. An exceptional property blending old-world charm with meticulous restoration, just 1 hour from Nice international airport and 45 minutes from the beaches of the Gulf of Saint-Tropez. Covering 325 m², this character-filled estate is centered around an impressive cathedral staircase and features six bedrooms adorned with high-quality materials: travertine, solid wood flooring, and antique terracotta tiles. The garden-level floor is entirely dedicated to wellness, housing a spa area inspired by the Orient, including a hammam and sauna. Outside, the terraced landscaped garden of 2,400 m² offers a peaceful, green setting. It boasts a heated mosaic pool, a large shaded terrace with a fountain, an orchard of olive and fruit trees, as well as a Mediterranean herb garden, perfectly integrated into the surroundings. An independent workshop and a double garage complete the amenities. A warm and authentic home, combining modern comfort with the gentle pace of life, just steps from the shops and restaurants of a typical Provençal village.
